About Mazzitti & Sullivan

Mazzitti & Sullivan was formed in 1983 out of a desire to help people and provide excellent client care. Over the years our business has only grown stronger and more committed to its clients with the addition of innovative services and solutions to common problems faced by employers and employees alike.

Today, Mazzitti & Sullivan EAP contracts with hundreds of employers and covers over 500,000 lives across the nation.

In 2016, we joined the largest behavioral healthcare organization in the state of Pennsylvania, Pyramid Healthcare. Our goal is to continue to expand our product offerings and provide personalized service to each of our clients every step of the way.

How We Help

Mazzitti & Sullivan EAP (Employee Assistance Program) has never adhered to traditional approaches when it comes to providing EAP services to our clients. We're widely known for tailoring our services to meet the specific needs of your organization. Our Client Solutions Specialists work directly with employers as well as their employees, with a primary focus on resolving problems that may be keeping them from being the most productive and successful employee they can be. For this reason, Mazzitti & Sullivan EAP proves to be the most effective when compared to other EAP providers.

When can the EAP help?

Mazzitti & Sullivan EAP is here to help your employees through many difficult situations, including:

Emotional distress,
anger & stress

Personal
issues
